**Minutes on selecting people in the target group  
and allocation of them on study programs,  
University of Craiova – Project Partner 1  
Project *A chance for development*  
E-MS CODE: ROBG-176, Project code: 16.4.2.087**

Concluded today 24 August 2017, on the occasion of finalizing the activities of selection and involvement of the target group members in the training activities by distribution of them on training programs organized within the project "*A chance for development*".

We note that during the registration stage **361** applications have been submitted.

The selecting of the persons in the target group and their distribution, after the interview, on study programs are presented in appendices I-XIV. In the selection process has taken into account the option of each person from target group and the eligibility criteria.

Selection of the target group was made in accordance with the principle of equal opportunities and non-discrimination and will be achieved without any restrictions, exclusions, preferences, restrictions based on race, nationality, ethnicity, language, religion, social category, convictions, gender, age, disability, family situation or responsibility, and other such criteria that may lead to acts of direct or indirect discrimination.

Target group manager,  
Associate professor L. I. CIORA, PhD

Training activity coordination expert,  
Lecturer S. C. SARARU, PhD

Project Manager,  
Lecturer M. T. UDRISTIOIU, PhD
